Alganix Pest Control

Briostack has made a big difference for Alganix technicians. The efficiencies our software provides allowed them to keep from hiring additional office staff to keep up with the work.

How Briostack Helped:

- > Providing new, innovating tools for techs
- > Eliminating the need for paper
- > Optimizing the scheduling process
- > Updating the customer portal experience
- > Reducing office labor
- > Migrating data simply & accurately

"Because of Briostack, we've been able to go completely paperless. Now we don't have to hire 2 or 3 extra staff to take care of office work."
