

CLARK BROS. INC. - DOS PALOS, CA

While still in his teens, Norman Clark bought his first tractor and started a land leveling business in California that would become a family empire built on land excavation and farming. Over the last 70 years, **Clark Bros. Inc.**, a SharpeSoft client, has increased its scope of operations to include excavation and grading, water and wastewater treatment, and water conservation and land restoration, becoming one of the most respected heavy construction contractors in the state. A point of pride for the Dos Palos, CA company is its work in water conservation and land restoration. Working with Ducks Unlimited, the U.S. Fish and Wildlife Service and the Dept. of Boating and Waterways, the company has helped to restore thousands of acres of land to wetlands and natural habitat.
