

COASTLAND ENTERPRISES - MIDDLEFIELD, CN

Coastland Enterprises has been a familiar fixture in Connecticut for more than 18 years as they have established themselves as one of the top site development contractors in the state. Since 1999, the Middlefield-based firm has been the go to company for complete site development, as well as road construction, earthwork and utility projects, sewer and water services, and industrial and residential site work. A SharpeSoft client since 2009, the company has built a solid reputation for the delivery of projects within budget and on time and consistently going beyond client expectation. Thanks Coastland, for letting SharpeSoft be a part of your success.
