## Company Overview

Countryside Woodworking, an Amish-owned company, is a testament to the potential of small businesses. Celebrating 20 years in business, what began as a modest operation has blossomed into a thriving woodworking manufacturer with over 40 employees and a substantial client base.

**We came across some accuracy issues and usability problems with our previous processor. We needed a system that was both reliable and easy to use.**

– Johnny Lee | Accounting Assistant at Countryside Woodworking

## The Challenge

As Countryside Woodworking expanded, so did the complexity of managing payroll. Prior providers introduced problems with accuracy and usability, creating frustration and wasted time.

Payroll accuracy was at risk without a reliable partner, and the accounting team lacked confidence in the system.

## The Solution

Countryside Woodworking chose APS for its user-friendly payroll platform, a choice that was met with standout customer service. The APS team tailored the setup to match Countryside's manual processes, ensuring efficiency and flexibility without overwhelming them with unnecessary tools.

## Key Takeaways

### Improved Accuracy

Countryside Woodworking experienced a smooth, accurate implementation compared to competitors.

### Seamless Implementation

Intuitive onboarding and payroll adjustments save valuable time.

### Dedicated Support

APS' support team consistently delivers tailored solutions, not cookie-cutter answers.

“

**Implementation was one of the smoothest I've ever experienced.**

**APS didn't just hand us the system—they guided us through every step.**

– Johnny Lee | Accounting Assistant at Countryside Woodworking

“In my 15+ years working with payroll, this is hands down one of the best experiences I’ve had. APS feels like part of our team.”

## The Results

### ✓ Faster Payroll Processing in Under 30 Minutes

Despite fully manual data entry, payroll for 42 employees now takes **less than 30 minutes** from start to finish, including bonuses and pay stub printing.

“I can process payroll [quickly]—even with manual entry. The system is that straightforward.”

### ✓ Improved Accuracy & Confidence

APS resolved legacy errors from the previous provider and correctly handled tax withholdings and reporting.

### ✓ Superior Customer Support

From sales to implementation and ongoing service, APS provided a consistent, knowledgeable team that Countryside could rely on.
