

Web design customer: David Petherbridge Upholstery

Project Brief: We were asked to build 2 websites for this customer, one site to focus on the specialist range of children's bespoke furniture that he makes. The other site to focus on the furniture upholstery and the marine boat upholstery that he provides. **Customers Video Review / Testimonial Transcript:** "Ok, I'm David Petherbridge of David Petherbridge upholstery in Leigh on sea, Eastwood Road North. I approached Joe to look and do my website, he's erm, after talking to Joe for a while, he's very good to get along with, easy, easy to get along with, he advises you on so many way's and aspects of doing the website. I have so many people look at my website and say how good, and how well it is done and it has really brought me in a lot of work, and I hope to have a long future with Joe in progressing on this, and the price is very very good. Joe helps where ever he can, like I say, you build a good relationship with Joe and the financial a side of it, I found, was very very good comparing with other website designers. And I would like to say I can stay with Joe for the future of my business."
