## Disruptive Youth

**Disruptive Youth** is a forward-thinking fashion brand designed with young women in mind. Many of the designs follow in the same vein as music festival fashion, featuring bralettes, short shorts and jewelry reminiscent of the hippie era. The brand has a bit of an edgy attitude that appeals to younger women who like just a little bit of rebellion in their lives.

Focused on images, this site employs a simple, straightforward look with a minimalist design to keep the focus on the clothing for sale. Under the hood, Google Analytics and Facebook Domain Insights allow the brand to track users coming to and using the site to learn what is working and what can be improved. Social media buttons at the bottom of each page of the site let users connect with the brand and its creator using their preferred social networks. Customers can also get in touch with Disruptive Youth through the integrated contact form located in the FAQs and Help section of the site.
