

An estate planning firm **scales with confidence** using Smokeball's TemplateLab features & services

- 1 Platform to manage client & case info**
-  **Hours saved a week with Smokeball templates**
-  **5-star client service & training**

Eufinger Law Offices, a well-established Ohio firm specializing in estate planning and real estate, has grown significantly due to its high-quality service and strong client referrals. The firm chose Smokeball's secure, cloud-based platform to improve efficiency and accuracy.

Smokeball's TemplateLab templates have been transformative for Eufinger Law Offices. Staff create documents like Last Wills and Trusts in just a few clicks. By eliminating manual data entry, staff save hours—and errors—each week. Staff reinvest this saved extra time into the client care their firm's reputation and growth is built on.

An all-in-one platform that boosts efficiency and accuracy

- Organized client and matter data accessible to staff working from any location and across devices.
- **A robust TemplateLab** that includes a library of 20,000+ automated court & agency forms, ready-to-use templates for common legal documents, and dynamic letterhead.
- Ongoing **support** and custom automation of proprietary documents by a dedicated team of TemplateLab technicians.
