## Eukanubashop

**Eukanubashop** makes it easier for you to buy Eukanuba products for pets online in Norway.

Eukanuba is synonymous with pioneering nutritional breakthroughs and, importantly, have a passion for dogs. View dogs as more than just the best pets on the planet – their mission is to make a positive difference by creating premium nutrition that helps bring out the best in your pet.

When founder, Paul F. Iams, was on the hunt for a name for his new **dog food** formula back in 1969, he knew that it had to epitomize the unmatched quality of his product. The word “Eukanuba” had come out of 1940s jazz culture, reserved for something that was “top notch” or “supreme”, turning out to be a perfect, memorable fit for Iams.

As uncompromising pet nutritionists and enthusiasts, the team use only high-quality animal proteins such as chicken or lamb as principle sources of protein. A cornerstone of Eukanuba’s philosophy is to feed **cats** and dogs how they believe nature intended them to eat. As such, their range of food includes tailored nutrition for life stage, breed size, sensitivities, and activity levels.

With speedy delivery to your door (and free shipping for orders over 1,000,-) throughout the country from their base **in Trondheim**, Eukanubashop ensures that your furry best friends stay in optimal, tip-top condition.
