

# INVESTMENT RAISED

# \$ 11,000,000

## A socially responsible and planet-greening ridesharing TaaS platform

FaceDrive is the first Canadian peer-to-peer  
ridesharing company that currently operates in  
Toronto/GTA, Hamilton, London and Guelph, Ontario.

## Investment Raised

Since its foundation in 2016, FaceDrive has raised  
approximately USD 11 mln, in 4 rounds. These  
investments were raised as private offerings and  
totalled: USD 892 ths in July 2020, USD 3.3 mln also  
in July 2020, USD 5.8 in June 2020, and USD 1 mln in  
February 2020.

## DIGIS Contribution

- Performance of the in-depth analysis of the existing  
software to identify all the deficiency and bugs, to  
include those in FaceDrive's Android and iOS apps.
