How Galvanize Grew to 8 Campuses & 2,000+ Graduates With PaySimple

by PaySimple

[Galvanize](#) is a for-profit learning community with a mission to make technology education and growth accessible to anyone. Galvanize has used PaySimple to collect tuition payments for over 5 years, helping them scale to 8 campuses and 2,000+ graduates.

They use PaySimple [payment forms](#), [invoices](#) and [online store](#) to automate payment collection so they can save time and money, as well as focus those resources on scaling the organization and providing a stellar experience to students.
