

“

The roleplay is so authentic, your brain doesn't know it's AI. We're getting high-quality practice that's working really well for us across all our markets.

Roland Caldbeck
Global VP of Sales

geobear

Unified excellence across 8 countries

INDUSTRY: ENGINEERING | TEAM SIZE: 100-200

Geobear's globally dispersed sales teams across UK, Nordics, Poland, and UAE struggled with inconsistent coaching and language barriers. Local managers couldn't provide consistent support across regions.

100% Adoption across geographies
