

Havanese Puppies Website – Web Design

Project Description

We were contacted by Paula Redding of Heidi's Angels Havanese and asked to design and build them a website for their Havanese puppy breeding business. They can log in to the website and add details of puppy litters as they are born. They can also list their pedigree Havanese male and female dogs. <http://www.HeidisAngelsHavanese.co.uk>
Note: This customer was so pleased with their website that they provided us with a video testimonial, which you can watch on our Customer Video Testimonials page
