

LOOM INTERIORS

www.loom-interiors.com

Loom Interiors are an online retail of fabrics, wallpapers, home ware and curtains, and required our SEO expertise to help drive more traffic to the website and increase online sales. Our team identified a range of key phrases that resonated with the target audience, and quickly ranked in the top slots. This brought in a strong flow of traffic that was converted highly and resulted in an increase of over 500% in online sales.
