

MAYBELLINE

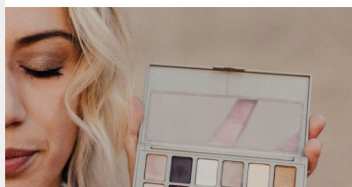

NEW YORK

When launching a new trio of makeup products, Maybelline activated a network of beauty microinfluencers to create authentic content around its new line. Bloggers used their creativity and skills to create their own personal look by sharing their looks on social media.

Soft Sultry Eyes with Maybelline

Soft Sultry Eyes with Maybelline Wednesday, January 11, 2017. Today's post is a beauty post alongside Maybelline (some of my favorite type of content to create is beauty, but it's also some of the...)

The Easiest Makeup for the Summer Heat ~...

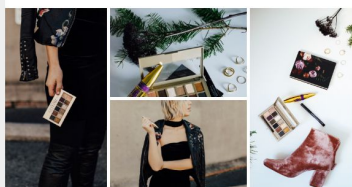

The Easiest Makeup for the Summer Heat Warm weather beauty can be so simple, it's tricky. What do I mean by that? Sometimes we over think it and I am guilty of it too. You have a pool party, you...
