## Mystery Chocolate Box

Mystery Chocolate Box is a fun new way to enjoy luxurious, gourmet chocolates. Each month, we send you three chocolate bars, but here's the catch: Each chocolate bar has been removed from its original outer label (the inner wrapper is still intact for safety) so you don't know what flavors are in each one. That part is up to you — It's your mission to taste, enjoy, and identify the inclusions in each bar. It's a perfect gift for any chocoholic...or as a fun game for your whole family to enjoy!
