

## PZU Group

### Goal

Enhance PZU's pricing process across two of its Baltic entities

### Scope

Baltics

Motor Personal Lines

*"Akur8 offers a game changing approach to rate making compared to manual solutions, that we were eager to adopt. The benefits in terms of speed and performance are major, while the process is robust and safe. The collaborative and intuitive interface, the smart features as well as the reactive and proficient support were also greatly appreciated by our pricing teams."*
