

# Roschke & Wall improved communication workflow, and mobility thanks to Cloudnine

## CUSTOMER

Established in 1990, Roschke & Wall, Certified Public Accountants, is a progressive, full-service accounting firm currently based in Agoura Hills, CA. They are committed to providing the highest quality tax, accounting and consulting services on a timely and cost-effective basis.

Roschke & Wall's business clients span numerous industries, including manufacturing, retail, financial, non-profit, and service organizations. They specialize in accounting for government contractors and small business consulting. In addition, they work closely with leading attorneys, bankers, pension plan administrators, and financial planners. They have also established a professional network of accountants who possess specialties other than their own, should their clients require special assistance.

## CHALLENGES

One of Roschke & Wall's biggest challenges as a CPA firm is that they service an incredible array of clients in both industry and size. This scope of work means that they need business solutions that are practical yet highly versatile. Over the years they have realized what an important part technology plays in the success of today's CPA firm. Because of this, Roschke & Wall has made it a point to stay up to date with industry trends and adopt cutting edge tools that will help increase competitiveness and efficiency.

In addition, Roschke & Wall needed a way for staff to access to data files easily and their suite of productivity applications anytime, anywhere. After researching potential cloud hosting solutions, they were referred to Cloudnine Realtime by 2020 Group USA.

---

## SOLUTIONS

After signing on the dotted line with Cloudnine, key aspects of Roschke & Wall's firm began to experience the power of possibility that comes from hosting in the Cloudnine environment.

Workflow became much more streamlined; the ability to have a central point of for all programs and data files became a powerful part of their day to day operations.

Improved communication was one of the larger motivating factors for Roschke & Wall moving to Cloudnine. Employees can now share files, data, and more, all in real time. Clients can now share data files instantly and even work concurrently on them.

Roschke & Wall found mobility for employees and management highly desirable. Now, no one at Roschke & Wall is chained to the office. With the power of anytime, anywhere access to the cloud they can now work from home, the office, or check in while on vacation.

“Ease of access, for our staff working in the field and cohesive, fluent integration with our client users were factors in our decision to move to Cloudnine Realtime.”
