Sodashi is pure nourishment for beautiful skin. Luxurious high performance skincare meticulously crafted using the purest botanical extracts. Their products and spa treatments are unparalleled in performance and purity, employing only therapeutic-grade, ethically-sourced essential oils and plant actives to effectively heal and nurture.

In Sanskrit the word "sodashi" translates to wholeness, purity and radiance, embraces the mind, body and spirit of each person rather than merely the skin. This holistic approach melds perfectly with Spa; not a quick over-the-counter purchase, but a truly holistic appraisal and solution to an individual's needs.

Today, Sodashi as a brand is known for its uniquely ethical approach to doing business, training each therapist that employs its skincare in addition to supplying **the world's most exclusive spas** in over 25 countries with an extraordinary range of 100 professional and spa-retail products, constantly evolving to meet the needs of the most high-end clients.
