

Web design customer: Sonico Barbers

Project Brief: This customer had been waiting for a friend to keep his promise and build him a website. After many months, he asked us to build the website for him instead. We had the website built and live within days. He was really pleased.

Customers Video Review / Testimonial Transcript: "Hi, my name is Sonico, I'm the owner of Sonico Barbers in Southchurch road. Joe approached us and offered us a website design, which was very good, very easy to use he is highly recommend. Erm, I've forgotten the rest... let's start again... ha ha... no it's cool"
