

Back-to-back record quarters with AI Sales Leaders

INDUSTRY: STAFFING | TEAM SIZE: 20-50

Staffing Engine needed to accelerate deal velocity and standardize their complex business case creation. Their managers were spending hours on proposals that should take minutes.

90% reduction in business case creation time (90 min → 10 min)

2x consecutive record quarters after Grw AI Leader deployed

“

We won't present a proposal without a Grw business case. What used to take 90 minutes now takes 10. We're saving boatloads of time and getting world-class coaching.
