

## Tine SA

TINE SA is Norway's largest producer, distributor and exporter of dairy products with 11,400 members (owners) and 9,000 cooperative farms. In 2013, TINE launched a new vision and also adjusted its behavioral values. Specific first made an educational program using Diggle for three major leader summits. The theme was the company's new vision, and participants should provide input and feedback on prepared proposals from the Group Management, before final conclusion.
