

Customer case studies

Vinx Pest Control

Using Briostack's routing optimization, Vinx's technicians have been able to save time and get more done every day. Their customers have never been happier.

How Briostack Helped:

- > Migrating data simply & accurately
- > Providing user-friendly training
- > Eliminating paperwork
- > Optimizing tech routing
- > Updating the customer portal experience

"Briostack routes give a lot of transparency. It saves our technicians a lot of time and they are able to do more every day. Our customer satisfaction game has never been better because of Briostack's innovation."

RYAN, VINX PEST CONTROL
