# Westcon Construction Corporation

*Built with pride since 1995*

Since 1995, the Newcastle, CA firm has provided general contracting and engineering services throughout the greater Sacramento area and beyond. The company is known for tackling uniquely challenging projects and bringing them in on time and within budget. They specialize in railroad and infrastructure projects, bridges, structural concrete work, seismic bracing, and specialty construction. One of their highest priorities is nurturing long-term client relationships based on a foundation of trust and ingenuity. Thanks Westcon, for choosing SharpeSoft Estimator.
