

Yara

Leadership Summit 2017 – 2018

2017 – Was focused on making 'One YARA' and a culture with more curiosity and better collaboration. Diggle was used in interactive workshops, designed to improve understanding and fuel new insights into the cultural change process.

2018 – Where we focused on the new strategy to become the Crop Nutrition Company for the Future. 250 Yara leaders from all over the world was gathered for experience sharing, updates and discussions. Diggle was used to facilitate discussion and harvest new insights and perspectives from the leaders on the three pillars of the new strategy.
