

Beer meets craftsmanship

What's better than sharing your love of craft beers with friends? BreakRoom Brewery will be a hub for Chicago craft brewers to work together to create craft beers that are bigger, ballsier, and more badass all for your enjoyment. BreakRoom Brewery wants to raise a glass to camaraderie in Chicago's craft brew scene by getting local breweries to do collaborations.

Our designers and developers equipped the BreakRoom team with a logo, brand identity and brochure site ahead of its official opening day, in addition to, a video introducing its delicious concept to the world.
