

Community of content creators and brands

Influencr. is an app that delivers On-Demand User-Generated-Content created by contnet creators.

Are you a creator, a brand, or both?

Influencr.[™] helps connect brands and creators; within our app, you can do both: find someone to promote your products, and/or get paid for promoting other brands.

Post a campaign and order branded content

Have a product you'd like to market? Create a new post with your campaign details and pick applicants that will create a content for you.

Find and apply to campaigns from other brands

Browse campaigns and products that interest you and apply with your social media info.

Get paid for promoting products

Earn money by creating video and photo content & posting it on social media platforms.

Logir

Register, browse campaigns, and apply

Influencers (and those aiming to become one) can apply to campaigns through the platform, produce content for chosen products, and get money or rewards for it.

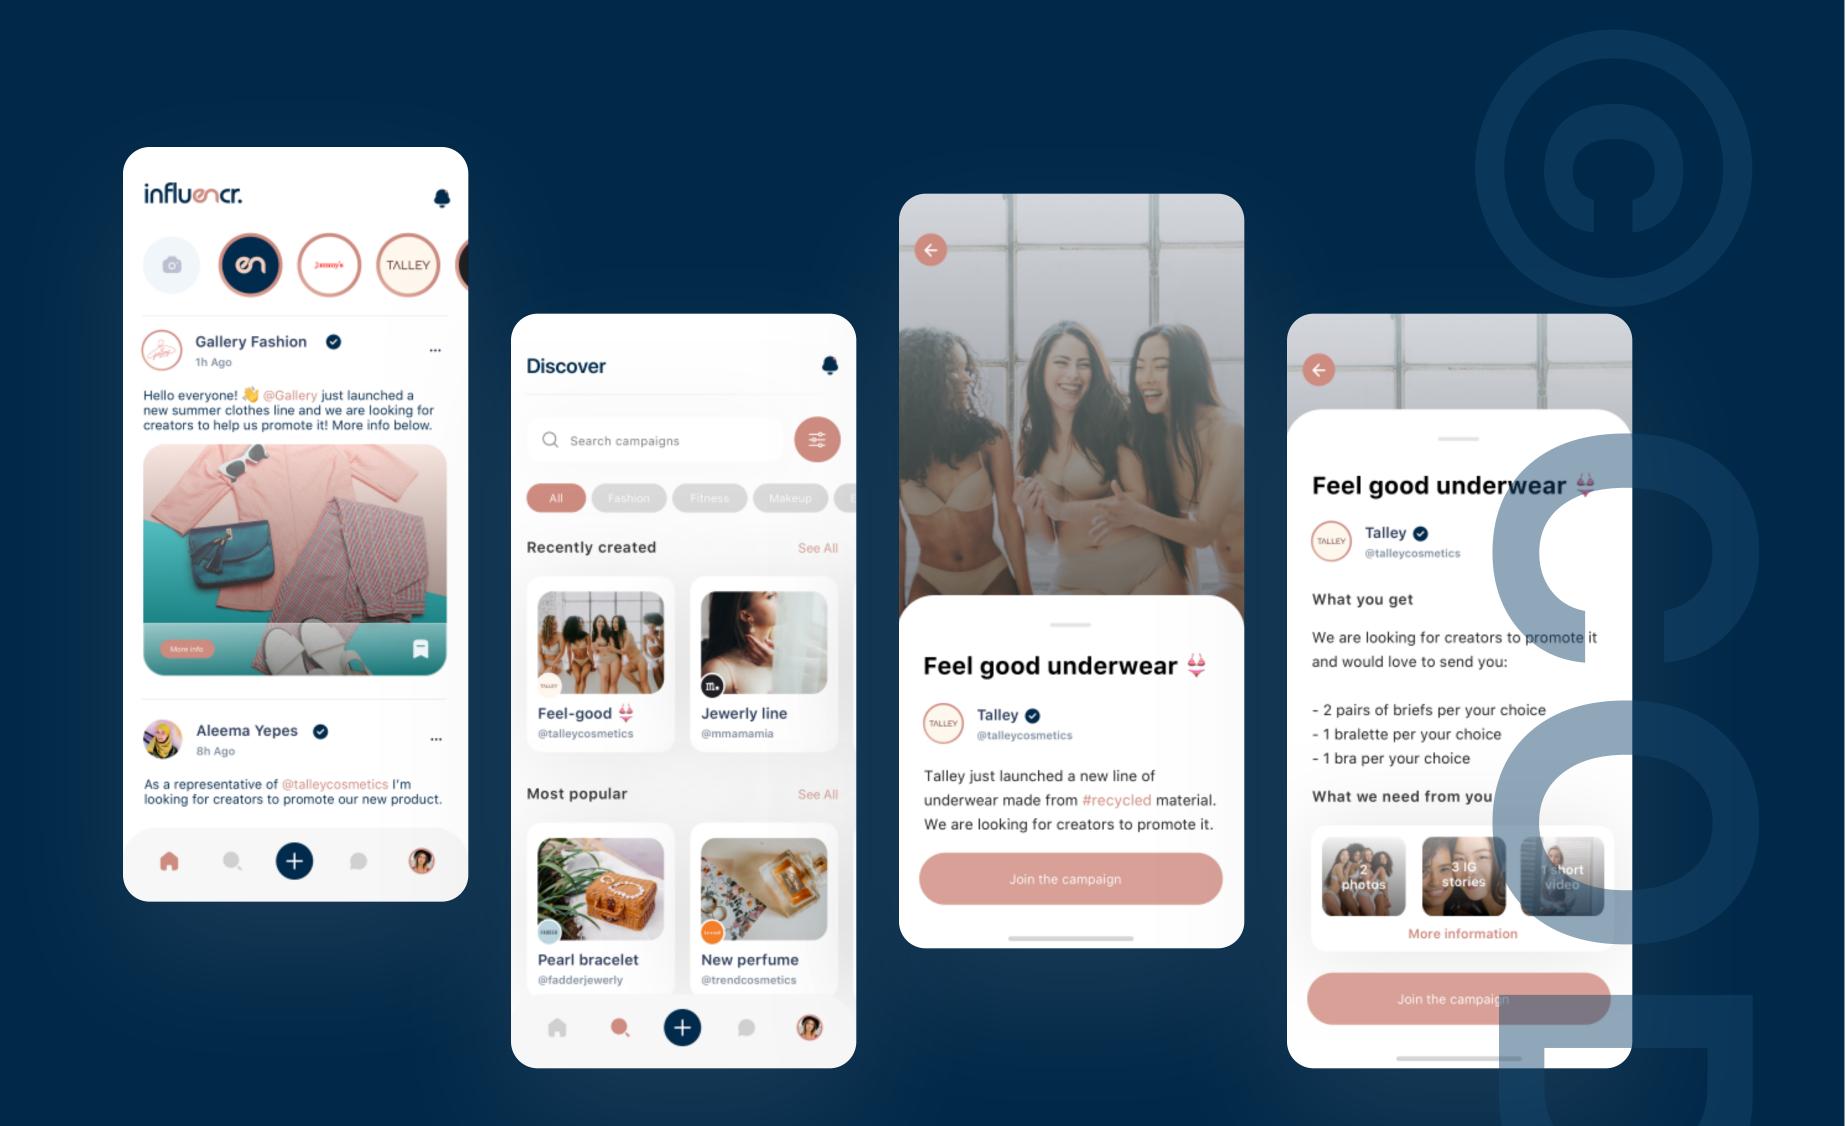

Tons of advantages for brands and companies

Everyone can join, and everyone can post a campaign as well. Influencr. aims to promote not only well-know brands, but also various startups, sole-traders, or anyone who wants to advertise their products.

Features like **in-app video calls** and **file sharing** make it easy for brands and creators to collaborate.
