

COMPLEAT
for Non-Profits

CUSTOMER TESTIMONIAL

American Liver Foundation

USE COMPLEAT

The American Liver Foundation team now has real-time visibility of every transaction by status, speeding up processing times and increasing productivity.

American Liver Foundation

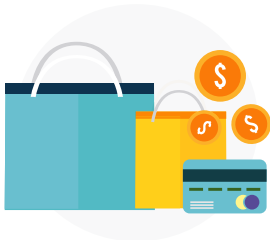

“

Compleat Software saves us a significant amount of time within our Accounts Payable process, removing manual data entry, invoice storage and providing streamlined approvals. Invoices are digitally captured, defaults are set against many of our GL Accounts, funds, units,

and projects, reducing manual coding and invoices are routed for approval to our heads of department, our team has real-time visibility over every transaction by status, speeding up processing times and increasing productivity.”

SANDRA SIGLER, ACCOUNTS PAYABLE,
MANAGER AT AMERICAN LIVER FOUNDATION

”

FULLY AUTOMATED ACCOUNTS PAYABLE

The American Liver Foundation have gained real-time visibility and increased productivity.
