

Morris Dermatology cuts claim rejections and boosts collections with ModMed's all-in-one system

As a small practice, we have to be creative and do more with less. ModMed helped us streamline our workflows, reduce errors and improve collections. It is not just about saving time. It is about building smarter processes so we can continue to grow while supporting our staff effectively.

Brooke Young, Office Manager

As a small but growing practice with two locations, Morris Dermatology needed a solution that could streamline operations and improve visibility into billing. After switching to ModMed®, they consolidated four systems into one and gained better insight into patient balances, payment patterns and denied claims. The new system also supported smoother scheduling and easier documentation, helping the practice continue to grow without overwhelming staff.

Office Manager Brooke Young also shared these results:

 Replaced four systems with one solution

 Reduced claim rejections by 26%

 Increased collections by 7%

Goals

- Simplify operations by consolidating systems
- Reduce billing errors and improve accuracy
- Support a growing footprint with scalable workflows

Results

- Gained efficiency with a single, integrated solution
- Increased collections with streamlined billing
- Improved efficiency across locations and staff
