Time Savings Increase by 90% Using Underwriting Insights

How do you bring change to an Underwriting Carrier that resisted it for nearly half a century? Download this Tier 2 US carrier customer case to find out!

This US-based Tier 2 carrier writes personal and commercial lines, including mid-market commercial. With over \$2B in premiums, they write across most states and industries, primarily through a network of independent agents. The company has existed for nearly a century, and their underwriting operations have admittedly not changed much over the last 50 years.
