healthcare compliance added another layer of complexity. The accounting system we used
also didn't have the HR compliance features we needed as we grew." The team needed one

reliable system to manage awards, payroll that ensures compliance with confidence.

The solution

GO2Health implemented Employment Hero HR and Payroll Premium, bringing everything, from rostering and timesheets to onboarding and leave, into one platform.

“One of the big advantages for us is being able to manage multiple awards, including a custom award with the payroll module. It applies the right leave types and allowances are applied for each staff category for FairWork compliance – for example, Nurses or Health Professionals and Support workers.”

“It gives us confidence that we’re doing things correctly. And that’s a big deal in healthcare, where **compliance isn’t optional.**”

– Jan Kotze, CFO, Go2 Health

The ROI

- 4+ hours saved fortnightly on rostering
- 1.5 hours saved per fortnight on payroll checks
- ~\$85,000 additional annual cost avoided
- Robust confidence in compliance and reporting

“**Employment Hero gives us reliable reports.** The payroll tax report, for example, is just one extra fantastic feature. It saves us from compiling payroll manually and provides confidence that everything’s accurate.”

– Jan Kotze, CFO, Go2 Health
