

ENTREPRENEURS' ORGANIZATION CASE STUDY

"Words cannot thank you enough for your
time and energy"

Entrepreneurs' Organization (EO)

The [Entrepreneurs' Organization \(EO\)](#) is a global business network of 10,000+ leading entrepreneurs in more than 144 chapters and 48 countries. Founded in 1987 by a group of young entrepreneurs, EO enables business owners to learn from each other, leading to greater business success and an enriched personal life.

[Expo Logic](#) provided registration and on-site check-in [ExpressPass™](#) stations for The Entrepreneur's Organization East Coast Regional Conference, NERVE. The attendees were thrilled with the speedy [check-in](#) process and the station's ease of use.

"Words cannot thank you enough for your time, energy and willingness to jump in so professionally throughout the NERVE process!"

It has been a tireless road over the past countless month prepping - but the event was a huge success in large part to the team behind the efforts. So much of the praise needs to be shared with you for all that you have done, and your team behind the scenes making sure all registration details were accounted for. So, from the bottom of my heart, thank you!" - **Katie Baer, NERVE Event Manager**

As a staff, we at [Expo Logic](#) could not be happier to be a part of The Entrepreneurs' Organization's East Coast Regional Conference. We look forward to working together in the future.
