Challenges

"We **didn't know** where to start."

"We didn't have a lot of **time** to fill out the questionnaire."

"We needed expert support to navigate the assessment process."

"We needed to get **started quickly** to meet our sustainability goals."

"We wanted to uncover **gaps** in our sustainability efforts."

How Select Helps

"The **orientation call** helped us ask questions, clarify rejected answers, and better prepare."

"Having the questionnaire **pre-filled** for re-assessment saved us time."

"Our **dedicated support contact** clarified questions and ensured our documentation met requirements."

"We received our results early with a **fast-tracked review.**"

"The **debrief session** with comprehensive feedback and advice helped us recognize our challenges and improve."

Fast Track to Gold: CAS AG's Sustainability Journey with EcoVadis Select

Due to our EcoVadis Select Subscription, we were able to refer to our EcoVadis Medal in discussions with our customers and thus position ourselves accordingly in the sustainability sector. We also received numerous requests to look into our profile. This reflects the perception of CAS AG as a company that is characterized by numerous sustainability measures.
