Oklahoma Christian University works to transform lives for Christian faith, scholarship, and service. The alumni and advancement teams are tasked with raising money throughout the year so more students can grow and learn on OC's campus, many of whom do so with the support of a scholarship. In fact, 95% of its 2,000+ enrolled students are awarded financial scholarships to assist their learning journeys.

Finding a reliable fundraising solution

Back in 2019, OC was looking for a comprehensive fundraising tool to replace its previous solution—one that could reliably process donations and provide a superior donor experience as more supporters moved online.

email, social media channels, and texting. This ensures the right message is getting to the right people via the right channel.

In 2022, an anonymous donor generously matched up to \$30,000 in donations on Giving Tuesday. **In the end, OC raised over \$197,000, raising 330% of its goal**, with donations going back into the scholarship fund to support students.

“To set our Giving Tuesday fundraising goal, we always look at the previous year, and each subsequent year, we try to beat that number. This past year we added in the match. It was amazing that GoFundMe Pro can automatically match as donations roll in.

was such a success that other colleges want to get involved.

With November a mere five months away, it's never too early to start thinking about Giving Tuesday. After the amazing success last year, the OC team has its sights set high with bigger matches and a closer partnership with their major gifts team.
