

JAGJEET SINGH OF HOTELS

- Siliguri

In the Hotelier's Own Words

As by Djubo we can see the exact availability of all our rooms from anywhere and this is visible to all via OTA or booking engine . This increased our room occupancy more than 20% from previous.

400%

OTA Share Increased

After Djubo has been taken , The OTA rev comes to Approx. 400% , which was previously near about max. 5%.

20%

Occupancy Increased in Off Season

As by Djubo we can see the exact availability of all our rooms from anywhere and this is visible to all via OTA or booking engine. This increased our room occupancy more than 20% from previous.

10%

Increase in ARR

As because of exact visibility of rooms and Dubo payment process now we can sell more rooms nights . It have increased our ARR by almost 10%.
