

## NEWS CRUNCH

Stay informed with the most important news of the moment. Get access to the information you're interested: Immigration, Economy, Politics, Health, Horoscopes, Money, Sports, Opinion, Lifestyle and more.

### World Of News News Of The World

News Crunch brings you News of the world right at your fingertips. Let it know what you prefer the most and it will bring you the latest and greatest about it.

### Notifications, Whenever You Want

Just input your Calorie and take note of everything you eat. The app does not only counts how many calories you have consumed but also how many you have shredded.

### Notable Features

News Crunch allows users to watch videos and clips within each category of news and also share articles on their favorite social media sites. The app can be connected to their preferred social media to allow articles, videos and posts to be shared with one click of a button. Read both local and international current affairs, weather, politics, technology, health, science and any other category that interests you.

### Android

Key Screens

The world is entering a new era driven by digital platforms and mobile is key to not getting left behind.
