

## PROSUN, INTERNATIONAL

Philip Doffegnies – Vice President 800-874-2776

We do extensive consultation with ProSun and Welproma, manufacturers of home and commercial tanning beds. A major initiative was helping to develop an internet marketing starter kit for tanning salon customers. The can use this to provide value-added services to potential customers. It helps any salon establish a basic foundation needed for internet success including:

- 10-page Website
- Google Directory page
- Facebook page setup
- Online Directory submission
- Mobile Phone Review Poster

We also provided the content for ProSun's in-house designer to develop this Prezi to market the program.
