- Single pane of glass with on On Demand Recovery

Solutions at a Glance

- On Demand Recovery
- Active Roles
- Change Auditor
- Recovery Manager for AD DRE

Region: USA

Employees: 48,000

Industry: Leisure Travel

“We’re watching for threats like every other company that is out there today... [Active Roles] is a great solution. IT officers on board each of our ships are the ones that were actually clamoring for this. It provides them with the ability to do things much quicker... With RMAD DRE, going from 72 or more hours manually to something that’s less than two hours is a big time save for the overall recovery of the company.”
