

RF IDEas

Headquartered in Rolling Meadows, IL, **RF IDEas** works with companies globally to support proximity and contactless smart cards and card readers. Founded in 1995 and privately held, RF IDEas designs, develops, and manufactures innovative readers used in many applications and OEM solutions, and also offers Wiegand Converters and Software Developer Kits. Inc. Magazine ranked RF IDEas No. 9 in the Computer Hardware Industry on its Inc. 500|5000 list, an exclusive ranking of the nation's fastest-growing private companies.

**We are very pleased with the translation services that we receive from Interpro.
Incredibly organized and easy to work with.**

— **Jamie Hardison, RF IDEas Marketing Programs & Event Specialist**
