

“ Trianz team worked side-by-side with us to transform our sales operations. Now, we have complete visibility into everything from our supply chain to sales and pricing. Our partnership with Trianz has been exceptional. ”

**Director – Accounts and Cost**  
A National Cattle Feed Supplier

#### MY PROBLEM

The sales and inventory operations and systems across the company were disconnected resulting in revenue loss from perishable inventory.

#### SIMPLY SOLVED

Thanks to the team at Trianz, our sales operations are completely integrated. We have complete visibility and control over supply chain and inventory. Increased sales and profitability by adapting promotional tactics to market sensitivity.
