This customer has been with SocialSEO since August 2018. They have the highest SEO package with us. This customer is a personal injury attorney serving the Colorado Springs and Denver areas (both very competitive Personal Injury markets). Over the past 11 months, organic traffic has seen continual increases, going from 95 sessions the first month with us to over 300 this past month (June 2019).

This client also came to us from an old firm and created a brand-new business, with a brand-new website. Over a 10-month span, with a new website, an aggressive SEO campaign is what contributed to this growth.
