DELUXE ROOM

The 32m² deluxe rooms at Ajwa Hotel Sultanahmet feature solid walnut furniture and Persian silk rugs. With Sinan inspired ceramic bathroom tiles, solid Marmara marbles, hammam-style bathrooms and marble basins, these rooms reflect a refined taste of the past in a present setting.

Each room is individualized by a touch of quality tapestry, turquoise and ocre yellow gilded ceiling work. LED lighting options in the rooms allow to adjust the light to guest needs; while other ergonomic details make sure your stay with us is a gratifying one.
