In sales revenue, and it continues to increase daily.

How David Uses StealthSeminar

- ✓ I love that you can edit the HTML for the experience.
- ✓ I like that I can place multiple offers and multiple times in multiple places.
- ✓ I love that the text that goes out has a real link to join the webinar in it. (SO SMART!) Hello show up rate bump!
- ✓ I love that your reminder emails actually get delivered to my customers!!!

“Our show up rate had fallen with everwebinar to 5%. Our show up rate with Stealth is currently 52%, WOW! I love how rock solid your platform is and how easy it is to use.... y’all have built something incredible. Thank you! You just may have saved our current business model from failing. You guys rock.”
