

Tarot.

Just like wine, Tarot is always whispering to you. It weaves truth, stories, secrets, and tales. All you need to do is slow down and listen. Knowledge. Craftsmanship. Experience. Each Tarot holds a dark and mysterious secret which can change your destiny. There are many similarities between the world of divination and wine. By becoming the alchemist of wine and playing on these patterns, we are able to create a divine experience. There are twelve bottles of Tarot: each one with its own unique destiny. Twelve arcana, twelve wines.
