

Uniqlo inspires the customers in-store with digital experiences.

...

With the help of our powerful DISE platform, UNIQLO has synchronised a large number of screens in their flagship stores in the Asian Pacific Area. Branding and lifestyle content help inspire their customers to an entirely new level in-store.

...

Uniqlo Co., Ltd. is a Japanese casual wear designer, manufacturer and retailer. The company is a wholly owned subsidiary of Fast Retailing Co., Ltd.
