Wienerschnitzel is the world's largest hot dog chain.

Founded by John Galardi in 1961, Wienerschnitzel now serves more than 120 million hot dogs a year. The brand is famous for the secret-recipe chili its smothers on fries, hot dogs, and burgers.

> *The world's largest hot dog chain, serving over 120 million hot dogs a year.*

The site was revamped by Ripcord Digital to serve as a one-stop-shop for Wienerschnitzel's fans and prospective franchisees alike. It features **product pages** complete with nutritional information and allows guests to easily locate their nearest restaurants using Google API Maps.
