Internal Communications Software Category

Internal communications software is also termed business messaging software. It offers instant messaging tools that permit group and direct messaging in a company. This platform is convenient and intuitive, and enables quick conversations between employees. Now, you don't have to send long emails and wait for responses.

An internal communications solution give staff members the convenience and flexibility to access company information anywhere, anytime, on any device. This platform can give employees relevant and up-to-date information, and ensure they have the necessary data and documents for their tasks. It can optimize staff collaboration and workflows, and facilitate coordination with personnel working remotely. In these ways, an internal communications application can enhance employee productivity and efficiency.

Customer Success Report Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

The overall Customer Success ranking is a weighted average based on 3 parts:

CONTENT SCORE

- Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- Customer reference rating score
- Year-over-year change in amount of customer references on FeaturedCustomers platform
- Total # of profile views on FeaturedCustomers platform
- Total # of customer reference views on FeaturedCustomers platform

MARKET PRESENCE SCORE

- Social media followers including LinkedIn, Twitter, & Facebook
- Vendor momentum based on web traffic and search trends
- Organic SEO key term rankings
- Company presence including # of press mentions

COMPANY SCORE

- Total # of employees (based on social media and public resources)
- Year-over-year change in # of employees over past 12 months
- Glassdoor ranking
- Venture capital raised

Award Levels

MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

Featured Testimonials

“Especially in times of crisis, fast and reliable communication with all employees at all locations is of utmost importance. The Indermühle Group is closely connected to its teams, and everyone loves using Beekeeper for internal communication. With this app, we not only ensure the flow of information around the clock, but also very much love the sense of “we” that is so essential in times like these.”

SANDRA TRAXLER
PRESIDENT OF THE BOARD OF DIRECTORS, INDERMÜHLE

“One Aldwych hotel has been delighted to work with Beekeeper to improve our internal communication. The platform has enabled us to provide a fast, efficient and fun way to communicate with our colleagues. Beekeeper has made an instant impact and has received terrific feedback from our teams. We would certainly recommend Beekeeper as a modern and effective way of sharing information.”

JULIA FREDERICK
HR DIRECTOR, ONE ALDWYCH

“Beekeeper has contributed to a flattening of hierarchies. On the one hand, employees can now communicate directly with all levels of management, and on the other hand, the whole company culture at Globus has improved and become more inclusive for all employees.”

MICHAEL GERBER
HEAD OF COMMUNICATION AND KNOWLEDGE, GLOBUS

“With Beekeeper, we can reach every single employee and measure the success of our internal communications. We are now able to send critical information to the right target groups at the right time and no longer need to use bulletin boards.”

ABOUT WORKPLACE FROM META

Workplace is a collaborative platform run by Facebook. It is built on Facebook's powerful systems that keep more than a billion people's information safe. It connects everyone in your organization to turn ideas into action and get more done.

Featured Testimonials

“Our customers succeed when we respond quickly. This is the first communication platform to meet our requirements. It's intuitive and familiar, allowing us to communicate effectively and with speed.”

 STEVE HENNERLEY
CHIEF TECHNOLOGY OFFICER, TELNET

“Workplace created a huge database of easy communication across all departments, and our department teams created individual groups to reduce emails for better communication. Now, all team members have access to group and event agendas, work schedules and HR information to ensure they are well-informed. This has not only improved communication and collaboration, but improved staff satisfaction. We couldn't be happier.”

 NICK DIBARTOLOMEO
VICE PRESIDENT, FINANCE AND TECHNOLOGY, BLACKBERRY FARM

“Having seen all sorts of different tools that companies use for a variety of internal communications, training and collaboration, I've never seen a level of intimacy that you get with Workplace. It brings a very dispersed network into a very intimate platform that enables people to not just work together, but actually collaborate and interact together.”

 FAUSTA BALLESTEROS
DIRECTOR OF MARKETING AND COMMUNICATIONS, SOFTVISION

“Workplace helps our employees connect and visually showcases our global teams. We're breaking down silos, communicating across functions and driving engagement, especially amongst our remote employee populations. It has definitely ignited our spirit of fun.”

ABOUT FIRSTUP

Firstup is redefining the digital employee experience to put people first and lift companies up. We make communication solutions that build authentic engagement and create two-way conversation between employees and companies. Our powerful orchestration engine connects every worker, everywhere, on any device with personalized information that helps them do their best work. That's why 40% of Fortune 100 companies like Amazon, ABInBev, Ford and Pfizer have chosen us to power their frontline, simplify their digital workplace and unlock the potential of their workforces. Get started at firstup.io.

Featured Testimonials

“With Firstup, we're able to send push notifications directly to employees' phones, and, if they don't engage with mobile, they're also sent an email. So they're still getting reached everywhere. And we can really measure it— that's important to us.”

DEANNA SCHMIDT
SENIOR DIRECTOR OF MARKETING AND COMMUNICATIONS, WASHREIT

“The fundamental reason we looked for help from [Firstup] is that we were having problems with internal communication. We were relying on other people, like direct managers, to deliver information to our employees. We needed a solution where information was pushed directly to each employee, so it was in the palm of their hand when they were ready to digest it. [Firstup] was a pretty easy sell internally as the way to solve this problem.”

KIM RUDDOCK
GENERAL MANAGER OF MARKETING, PENSKE AUSTRALIA & NEW ZEALAND

“The platform has been critical to the success of our communications, especially during the coronavirus outbreak. With the increase in remote work, [Firstup] has made it possible for us to keep all of our employees connected to the organization and to each other. [Firstup] has been an amazing tool for us, and an absolute lifesaver during recent times.”

KELLY DIPALMA
MANAGER, CORPORATE COMMUNICATIONS, BETHPAGE FEDERAL CREDIT UNION

“[Firstup] is at the center of our communication strategy for several reasons. It's the way that we communicate with our employees. It also allows our employees to share and connect to the broader community at large. So, while it's not the only tool we use, it's the centerpiece of what we use to communicate.”

ABOUT SMARP

Smarp is the leading app for employee communication, advocacy and engagement. Made for employees, and scalable to any organization, Smarp is the easiest way to create a well-informed and influential workforce. The Smarp employee app brings company news and content to the fingertips of employees, keeping your people up-to-date, engaging them to communicate and helping them to share their knowledge with their own social networks. Follow them to get regular updates on employee advocacy and other employee communication and social business best practices.

“The Smarp platform has helped us in our work to empower employees, increase internal conversations and build brand awareness. By using Smarp, we have reduced the internal silo effect while helping our employees to engage with their networks. We are also noticing a growing understanding internally. When our employees see how relevant content can lead to both hires and business opportunities, it grows awareness about the power of content marketing and social media.”

LAURA MANNINEN
HEAD OF CONTENT MARKETING & EXTERNAL COMMUNICATIONS, KPMG

“Making sure that our employees get the right information — the information that is relevant to them — is our top priority. We live in an era of information overload and having our employees feel overwhelmed with too much information is the last thing we want for them. We want them to get the information they need when they need it. That’s why we’ve decided to push our content segmentation further on Smarp. It’s a fantastic tool for employee communications and we wanted to get the most out of it.”

ADAM LEHN
EMPLOYEE ADVOCACY & SOCIAL MEDIA MANAGER, SPAR NORD

“Networking on social media supports sales very well, if done right. Smarp is a very efficient tool for that and it makes it easy to discover good quality content to share. It’s extremely easy and fast to use. I don’t need to spend time on finding content; someone else does it for me. I have shared almost every post that has been made available, as I feel that they are exactly what my network wants to receive. Lifestyles are connected these days, which means that we are defined by our online brands – in good and bad. Message by message, Smarp helps me to build my professional brand.”

TEEMU HUTTUNEN
SALES MANAGER, OPTTEAM

“Smarp has been a valued addition to BDO in Australia’s communication channels. We can now connect our team rebbecamembers across the country with BDO and industry content that is matched to their areas of professional expertise. This empowers our people to easily and regularly share business information and insights that can assist our clients and contacts.”

SnapComms is an Everbridge Company - The only end to end critical event management and employee communication solution in the world.

Featured Testimonials

“SnapComms has really helped improve and revitalise internal communication across our global business. With offices in 10 jurisdictions, we are able to ensure that all 370 members of our staff receive targeted, engaging messages directly to their computers without clogging their inboxes, and which we know are being seen. The platform is easy to use and the support we have received has been second to none.”

LEANNE HARKER
HEAD OF MARKETING, ESTERA

“We were looking for a way to deliver employee communications without cluttering their email inboxes. Our employees indicated to us that they receive so many emails on a daily basis that many communications were being dismissed or lost in the abyss of their inbox. So we wanted an employee communication tool that allowed us to disseminate information through various methods based on importance, as well as manage all internal communications in one place so employees could access that information when needed.”

ANNE VRANICIC
MARKETING DIRECTOR, VALIN CORPORATION

“SnapComms has improved our internal communications tremendously, which ultimately helps us serve the public more effectively and efficiently.”

ABOUT THEEMPLOYEEAPP

theEMPLOYEEapp is a native app platform for employee communications that allows any organization to have its own app on Apple's App Store and the Google Play. It securely integrates with a company's employee database and allows for the instantaneous push of messages and content (documents, multi-media and live events) directly to their employees' mobile devices.

Featured Testimonials

“The app changed everything. It's been critical to getting everything to all team members and make it so they can communicate with each other and with us.”

BRITTONI HUFF
EMPLOYEE TRAINING & DEVELOPMENT MANAGER, UPSTATE VET

“The 'Our People' app has not only improved employee engagement, it has empowered our employees and fostered a stronger emotional and intellectual connection within our organization.”

CANDACE TUCKER
COMMUNICATIONS SPECIALIST, COMMUNITY COFFEE

“Employees are excited to have an easy way to access the company and get what they need when they need it. Employees feel more connected to the company now and it allows us to maintain a relationship with them. It goes a long way towards building company loyalty and improving morale. You don't have to be the technically-savvy, cutting-edge type of business or have employees with those tendencies to have an app. Certainly, I think all businesses could benefit from it in some way. The app becomes an essential, sustainable tool that is, above all else useful.”

SHEILA SCHOONER
COMMUNICATIONS MANAGER, ASRC ENERGY SERVICES

“Mohegan Today has quickly become the go to source for employees to easily access the information that's not only important to them in their work, but also to their personal lives. Communicating with employees through their mobile device was no longer not an option for us.
