Corporate Gifting Software Category

Corporate gifting software is designed to streamline and enhance the gifting process within a corporate context. These systems often provide a centralized platform where companies can automate and manage the gift-giving process. The benefits of adopting such software include facilitating efficient and personalized gift management.

Additionally, it can automate the selection and delivery of gifts, saving time and reducing the administrative burden on employees. Moreover, corporate gifting software can help companies strengthen relationships with clients, partners, and employees, fostering a positive corporate culture and enhancing brand image. It also aids in compliance by providing a transparent record of corporate gift-giving, enabling companies to adhere to ethical guidelines and regulations.

Customer Success Report Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

The overall Customer Success ranking is a weighted average based on 3 parts:

CONTENT SCORE

- ✓ Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- ✓ Customer reference rating score
- ✓ Year-over-year change in amount of customer references on FeaturedCustomers platform
- ✓ Total # of profile views on FeaturedCustomers platform
- ✓ Total # of customer reference views on FeaturedCustomers platform

MARKET PRESENCE SCORE

- ✓ Social media followers including LinkedIn, Twitter, & Facebook
- ✓ Vendor momentum based on web traffic and search trends
- ✓ Organic SEO key term rankings
- ✓ Company presence including # of press mentions

COMPANY SCORE

- ✓ Total # of employees (based on social media and public resources)
- ✓ Year-over-year change in # of employees over past 12 months
- ✓ Glassdoor ranking
- ✓ Venture capital raised

Award Levels

MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

“Achievers has revolutionised the way we give and receive feedback within our organisation. I would highly recommend the Achievers platform to any organisation looking to embed a culture of reward and recognition. Since launching the new platform, there has been a 103% increase in eCards being sent, a 102% increase in total recognition activity and an increase in the favourable engagement score from 34% to 63%.”

KAREN BLIZZARD
HR MANAGER, OLYMPUS

“Since we launched our Achievers platform in 2016, we've experienced no unplanned service outages or downtime – the platform is very stable. Both our leaders and employees appreciate that reliability especially with a program that touches our entire organization and is so widely used.”

RAMÓN VARGAS
DIRECTOR, GLOBAL EMPLOYEE RECOGNITION,
SCOTIABANK

“That's exactly what the Listen platform does. It enables our managers, our leaders and our executives to go in at any day, any time, and look at frequent feedback from employees.”

ANDREW PRYOR
SENIOR VICE PRESIDENT, HUMAN RESOURCES, ECI

“Using Achievers, we have been able to make recognition fun, inclusive, and global. We now have the tool to show our people just how much we value and appreciate them.”
