SPRING 2026  
Customer Success Report

## Customer Education Software Category

Customer Education Software is designed to help businesses educate their customers about their products or services. This helps businesses create, manage, and deliver educational content to their customers which results in better customer experience and engagement.

# Customer Success Report Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

**The overall Customer Success ranking is a weighted average based on 3 parts:**

## CONTENT SCORE

- ✓ Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- ✓ Customer reference rating score
- ✓ Year-over-year change in amount of customer references on FeaturedCustomers platform
- ✓ Total # of profile views on FeaturedCustomers platform
- ✓ Total # of customer reference views on FeaturedCustomers platform

## MARKET PRESENCE SCORE

- ✓ Social media followers including LinkedIn, Twitter, & Facebook
- ✓ Vendor momentum based on web traffic and search trends
- ✓ Organic SEO key term rankings
- ✓ Company presence including # of press mentions

## COMPANY SCORE

- ✓ Total # of employees (based on social media and public resources)
- ✓ Year-over-year change in # of employees over past 12 months
- ✓ Glassdoor ranking
- ✓ Venture capital raised

## Award Levels

### MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

### TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

### RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

## FEATURED TESTIMONIALS

“We settled on Absorb after a broad and detailed search with formal criteria. We eliminated the big guys for their cost and lack of flexibility, and the little guys did not have the features or maturity we needed. Absorb has the right set of capabilities that met all of our criteria including scalability, administration ease and flexibility, reporting capability, and excellent user experience.”

FRED PINKETT  
VP PRODUCT MANAGEMENT, SECURITY INNOVATION

“The Together platform provides a great springboard to help ensure a successful program, but there still remains intentional and ongoing efforts at every leadership level to promote the value of the program and platform.”

NICOLE FERENZY  
SENIOR INCLUSION & BELONGING PARTNER, SAMSARA

“Absorb LMS keeps the user experience at the forefront, and that's what makes them so unique. They make it simple not only for learners, but also for the admins who manage the system.”

ELLEN BRANSON  
SAGE PRODUCTS

“Absorb LMS allows us to deliver better training experiences to our clients, and, thanks to the Salesforce integration, a streamlined approach to lead capture and course enrollment.”

*“Each one of our more than 7,000 employees and physicians have different learning styles, assigned regulatory education, time frames for completion — and the list goes on. Cornerstone enables us to automatically deliver targeted training to the right person in less time.”*

TRACY HALL  
ORGANIZATIONAL DEVELOPMENT SPECIALIST,  
MIDMICHIGAN HEALTH

*“In education, our turnover rate as an industry is pretty high. Developing the employee and working to retain them is our top mission. Cornerstone OnDemand gives access to tools that help us keep our people engaged and connected, and reduce turnover.”*

CHUCK FIMBLE  
CHIEF PEOPLE OFFICER, KIPP

*“Cornerstone’s superpower is flexibility. I found that even if the system is designed to do one thing, sometimes it’ll do a lot more if you can think outside the box. For that matter, it’s so versatile it feels like there’s no box in the first place.”*

LISA KELLY  
DIRECTOR FOR THE PROFESSIONAL EDUCATION
