SUMMER 2024  
Customer Success Report

## Tax Compliance Software Category

Tax compliance software gives you accurate federal and local tax computations, and automates tax filing and reporting. Top vendors present different solutions to manage specific types of transactions and their linked taxes. Sales tax compliance programs compute and process relevant taxes to be charged across jurisdictions. Further, Value-Added Tax (VAT) applications monitor regulations and automate computations across intricate scenarios. Advanced tax compliance tools support custom tax management for global sales. Many vendors also deliver managed audit reporting and tax filing for businesses of all sizes.

## Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

**The overall Customer Success ranking is a weighted average based on 3 parts:**

### CONTENT SCORE

- ✓ Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- ✓ Customer reference rating score
- ✓ Year-over-year change in amount of customer references on FeaturedCustomers platform
- ✓ Total # of profile views on FeaturedCustomers platform
- ✓ Total # of customer reference views on FeaturedCustomers platform

### MARKET PRESENCE SCORE

- ✓ Social media followers including LinkedIn, Twitter, & Facebook
- ✓ Vendor momentum based on web traffic and search trends
- ✓ Organic SEO key term rankings
- ✓ Company presence including # of press mentions

### COMPANY SCORE

- ✓ Total # of employees (based on social media and public resources)
- ✓ Year-over-year change in # of employees over past 12 months
- ✓ Glassdoor ranking
- ✓ Venture capital raised

## Award Levels

### MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

### TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

### RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

“We wanted to future-proof our business, since there's a lot of discussion about national sales tax legislation that may require online customers to report sales across various states whether they have jurisdictions there or not. If that becomes law, AvaTax gives us the ability to flip a switch and be compliant.”

TONY DICOSTANZO  
PRESIDENT, BOOKPAL

“Any efforts spent on sales and use tax compliance and related activities are nonrevenue generating. Even if you invest the time and resources to get it right, you've still lost the productivity.”

JENNIFER MESIANO  
IT MANAGER, WALTON SIGNAGE

“I've used other solutions going back 15 years, and I've never seen anything as detailed as Avalara AvaTax. The rooftop calculation to me was just incredible. It makes sense.”

MICHAEL MCGINN  
DIRECTOR OF TAX SERVICES, MINER CORPORATION

“Avalara AvaTax is really simple. I just like that it's really seamless. Avalara AvaTax is one of the few things we have just plugged into the system that has been painless.”

“ I never tire of saying that I'm a great advocate for Sovos Compliance. It's the people! Tax specialists in most organizations are totally isolated—few people understand all of the regulations and requirements. It's a huge benefit to be able to count on Sovos Compliance's highly responsive team for advice, support, and solutions. Every Sovos Compliance employee is a knowledgeable and reliable resource. The technology is beyond compare, and Sovos Compliance's customer service couldn't be better. They're a true partner. ”

“ We were in a hurry and wanted to get the software installed quickly, so we chose Taxware over their competitors for their software's ease-of-use and fast implementation. We felt more comfortable with TWE on a technical level and our IT team felt they could use TWE more effectively than other options on the market. The integration required less coding, less time to implement and the interface is user friendly. ”

STEVE BROOKE  
ASSISTANT CONTROLLER, BODYBUILDING.COM

“ Prior to implementing [Sovos Sales & Use Tax], I was spending 50% of my time manually inputting tax rates and researching tax law changes. Now, I spend less than 5% of my time on sales and use tax-related issues. If it wasn't for [Sovos], the increased workload from the acquisitions of other companies would have been much more difficult. ”
