SUMMER 2025  
Customer Success Report

## Field Service Management Software Category

Field service management (FSM) software offers a single platform from which you can manage your business tasks such as scheduling, dispatching, invoicing, reporting, customer account management, and more. This solution is ideal for service companies such as pool and spa, HVAC, plumbing, and others. It enables you to run your business efficiently, make your staff more productive, and keep your customers happy.

FSM software removes confusion and uncertainty in business operations. You can bid goodbye to old-fashioned methods such as using whiteboards and Excel spreadsheets to manage your multiple employees. The platform makes scheduling and monitoring intuitive and easy, and your firm more agile. With FSM mobile apps, your staff can receive jobs in the field and will not have to come back to the office for new tasks.

## Ranking Methodology

The FeaturedCustomers Customer Success ranking is based on data from our customer reference platform, market presence, web presence, & social presence as well as additional data aggregated from online sources and media properties. Our ranking engine applies an algorithm to all data collected to calculate the final Customer Success Report rankings.

**The overall Customer Success ranking is a weighted average based on 3 parts:**

### CONTENT SCORE

- ✓ Total # of vendor generated customer references (case studies, success stories, testimonials, and customer videos)
- ✓ Customer reference rating score
- ✓ Year-over-year change in amount of customer references on FeaturedCustomers platform
- ✓ Total # of profile views on FeaturedCustomers platform
- ✓ Total # of customer reference views on FeaturedCustomers platform

### MARKET PRESENCE SCORE

- ✓ Social media followers including LinkedIn, Twitter, & Facebook
- ✓ Vendor momentum based on web traffic and search trends
- ✓ Organic SEO key term rankings
- ✓ Company presence including # of press mentions

### COMPANY SCORE

- ✓ Total # of employees (based on social media and public resources)
- ✓ Year-over-year change in # of employees over past 12 months
- ✓ Glassdoor ranking
- ✓ Venture capital raised

## Award Levels

### MARKET LEADER

Vendor on FeaturedCustomers.com with substantial customer base & market share. Leaders have the highest ratio of customer success content, content quality score, and social media presence relative to company size.

### TOP PERFORMER

Vendor on FeaturedCustomers.com with significant market presence and resources and enough customer reference content to validate their vision. Top Performer's products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader.

### RISING STAR

Vendor on FeaturedCustomers.com that does not have the market presence of Market Leaders or Top Performers, but understands where the market is going and has disruptive technology. Rising Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

“The service industry all over the world severely lacks communication with customers. With ServiceM8, I can SMS my customer to remind them of their appointment with “ROB”, and tell them to notify us via our office number if anything changes. Plus, I can send another SMS notification when “ROB” is 15 min away. Customers are amazed at being kept informed.”
